TAX PAYERS' GUIDE

State and County Taxes Become a Lien on all taxable property at noon on the first Monday in March of each year.

Taxpayers must File Statement with County Assessor of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

The County Board of Equalization Meets on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

Unsecured Personal Property Taxes Become Due and Payable on demand, to the County Assessor on the first Monday in March of each year.

The State and County Tax Rate is fixed by the County Board of Supervisors, on the first Tuesday after the first Monday in September, of each year.

Taxes on Real Estate and Personal Property Assessed with Real Estate Become Due and Payable to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

Penalties are Applied to all unpaid taxes as follows: Ten per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

The Delinquent Roll is Published on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

Property May be Redeemed at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.

Penalty is figured on taxes only—
10% Penalty for first 6 months to January 1st.
20% Penalty for second 6 months to July 1st.
30% Penalty for second year to July 1st.
40% Penalty for third year to July 1st.
45% Penalty for fourth year to July 1st.

Property deeded to the State for delinquent taxes for the years prior to 1921, may be sold by the County Tax Collector at any time upon authorization of the State Controller.

Rates are based on the value of real estate only in each district and are subject to change each year.

Districts No. 21 and 23 are paying assessments for two years in the 1927 rate as work was not completed in 1926 until after the Tax Rolls were finished for that year, and for that reason no assessment could be collected in 1926. If all assessments are paid for 1927 the rate for 1928 will be greatly reduced.

District No. 2 covers all of the Section included in territory lying North of El Cajon, East of Boundary Street and West of Kensington Park to North line of Normal Heights.

District No. 7 being for Adams Avenue covers same territory from Monroe Street North.

Districts 23, 24, 26, 27 and 31 pay interest only for first four years and thereafter interest and principal until paid at expiration of 10 years.

Districts No. 2, No. 5 and No. 6, Bonds were issued for 20 years and all other districts Bond for 10 years. All bonds are against the real estate in the individual districts and not against any individual lot, and assessments can only be paid at the time of the payment of State and County taxes. No lot can be released before the expiration of full time for which the bonds were issued.

State and County Taxes Become a Lien on all taxable property at noon on the first Monday in March of each year.

Taxpayers must File Statement with County Assessor of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

The County Board of Equalization Meets on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

Unsecured Personal Property Taxes Become Due and Payable on demand, to the County Assessor on the first Monday in March of each year.

The State and County Tax Rate is fixed by the County Board of Supervisors, not later than the first day of September of each year.

Taxes on Real Estate and Personal Property Assessed with Real Estate Become Due and Payable to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the third Monday in October of each year, becoming delinquent at 6 o'clock P. M. on the first Monday in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 6 o'clock P. M. on the last Monday of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if so desired.

Penalties are Applied to all unpaid taxes as follows: Ten per cent is added to all First Installment of taxes unpaid on the first Monday in December, each year. Five per cent additional is added to all taxes unpaid on the last Monday in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on May 15th, each year.

The Delinquent Roll is Published on or before the fifth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

Property May be Redeemed at the County Auditor's office any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.

10% for the first year to June 30th;
20% for the second year to June 30th;
30% for the third year to June 30th;

TAX PAYERS' GUIDE

State and County Taxes Become a Lien on all taxable property at noon on the first Monday in March of each year.

Taxpayers must File Statement with County Assessor of all taxable property, Real and Personal, owned by them, in their possession, or under their control on the first Monday in March of each year.

The County Board of Equalization Meets on the first Monday in July in each year to equalize and adjust assessments, and continues in session daily thereafter until the third Monday in July. The assessment rolls are open for public inspection during that period.

Unsecured Personal Property Taxes Become Due and Payable on demand, to the County Assessor on the first Monday in March of each year.

The State and County Tax Rate is fixed by the County Board of Supervisors, not later than the first day of September of each year.

Taxes on Real Estate and Personal Property Assessed with Real Estate Become Due and Pabable to the County Tax Collector as follows: Taxes on Real Property are divided into two installments; the first installment consisting of one-half of the Real Estate taxes and all of the Personal Property taxes assessed with same is due and payable on the first day in November of each year, becoming delinquent at 5 o'clock P. M. on the fifth day in December of each year. The second installment, or remaining one-half of the Real Estate taxes, becomes delinquent at 5 o'clock P. M. on the twentieth day of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if desired.

Penalties are Applied to all unpaid taxes as follows: Ten per cent is added to all First Installment of taxes unpaid on the fifth day in December, each year. Five per cent additional is added to all taxes unpaid on the twentieth day in April, each year. An additional charge of fifty cents is applied to each parcel or extension of taxes unpaid on April twentieth, each year.

The Delinquent Roll is Published on or before the eighth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

Property, which has been sold to the State for taxes for any year up to and including the year 1930 may be redeemed at the Office of the County Auditor any time within five years after date of sale to the State.

REDEMPTION RATES

Interest at 7% per annum from date of sale to date of redemption on tax sale and all delinquencies. No interest or penalties on Tax Collector's penalties or costs.
